

Summer Mystery Shawlette - Part Three

Wendy D. Johnson

Before starting Part Three, you will have completed all 12 rows of Chart B as described in Part Two.

Work Chart C:

Row 1: K3, *work the first 17 st of chart, work across the 12-stitch pattern repeat 5 times, work across the remaining 16 st of chart,* k1 (center stitch), repeat between * *, k3.

Note that you will decrease 1 stitch at the beginning and end of the chart so that at the end of Row 1 you will have on the needle 16 stitches before the first repeat and 15 stitches after the last repeat.

Row 2 (and all even-numbered rows): K3, purl to the last 3 stitches, k3.

Work all 24 rows of Chart C, working the even-numbered chart rows as Row 2.

At the end of Chart C you will have 145 stitches on the needles.

Now work Chart C in the same manner **two more times**, working 2 fewer repeats each time, i.e. working the 12-stitch repeat 3 (1) times on each side.

After the second time you work Chart C you will have 97 stitches on the needle, and after the third time you work Chart C you will have 49 stitches on the needles.

Note that if you have added extra stitches to your shawl, for each set of 48 extra stitches you added, you will work 2 more repeats on each side of the shawl, and you will need to work Chart C one more time. For example, if you added 48 stitches, you will work across the 12-stitch pattern repeat 7 times. Then you will work Chart C **three more times**, working 2 fewer repeats each time, i.e. working the 12-stitch repeat 5 (3, 1) times on each side. After the last time you work Chart C you will have 49 stitches remaining.
